

## **PRAYER TO SAINT EXPEDITE**

### **INTRODUCTION:**

Here is a prayer that has been around for years. You may use this, or make up your own. Just call out to Saint Expedite, to get his attention, and ask for what you need. Be sure to offer something in return for his efforts. Most importantly make sure you live up to your end of the bargain, with no regrets or complaints (there is nothing worse than a sore loser). If things did not go as anticipated then either you did not make yourself clear or you did not think your needs through. You can't expect Saint Expedite to tailor everything to wishes he had no knowledge of. Always offer him a reward for helping you.

### **FOR QUICK HELP...**

*Pray to Saint Expedite*

Saint Expedite, you lay in rest.

I come to you and ask that this wish be granted.

\_\_\_\_\_ **(Clearly express what you want, and ask him to find a way to get it to you.)**

Expedite know what I ask of you.

Expedite know what I want of you, this very second.

Don't waste another day.

Grant me what I ask for.

I know your power, I know you because of your work.

I know you can help me.

Do this for me and I will spread your name with love and honor  
so that it will be invoked again and again.

Expedite this wish with speed, love, honor, and goodness.

Glory to you, Saint Expedite!

Amen.

### **THE FOLLOWING IS THE HUMBLE OPINION OF THE WRITER OF THE WEBSITE:**

I really don't think that people who petition Saint Expedite are all that worried about his history or lack of it. They have enough to worry about with all the problems that are dumped on them day in and day out. They ask for assistance and he provides. They are sure that he will help them. This is the kind of thing that Saint Expedite does best. He helps those who ask for it. He helps those who need it. He has helped me when I asked for it. This entire website is in his honor. I am publicly announcing that Saint Expedite has helped me many times and I am forever grateful.

## **SAINT EXPEDITE**

Submitted by Fr. John, FSSP

**\*SAINT EXPEDITE IS THE UNOFFICIAL PATRON SAINT OF: *EMERGENCIES - SHOPKEEPERS - DEALERS - EXAMINEES - SCHOOLBOYS - SAILORS AND NAVIGATORS.***

Saint Expedite is invoked in urgent cases and for prompt solutions, especially in the settlement of business and legal proceeding. Many people say he is also a big help to those who wish to overcome obstacles that are in the way of their financial success.

Because St. Expedite is associated with quick solutions, some people in the computer tech field have adopted him as their own patron saint. There are many in that industry that , get paid only for software and hardware "solutions" or upon completion of their task. Lots of times they have to wait for payment to come well after submitting their completed work. What better Saint to intercede on their behalf than St. Expedite, as in "Hurry up and deliver this."

### **SANCTUS EXPEDITUS**

There are a lot of people who believe that, when there is an urgent need, a petition to Saint Expedite will be rewarded with prompt action. They ask Saint Expedite for a divine favor in finding work, money to pay their rent, medical bills, to win court cases and a thousand other personal but very pressing needs. There are huge numbers of people world wide that firmly believe he has helped them more than once, I am among them, and I take this website seriously. I am not going to ask you to just believe what I am writing here, it makes no difference to me. I am doing this because I believe, and I owe Saint Expedite because he has helped me. You are here because you have read or heard something about him, you are probably curious and want to know more. The tips offered here are a mixture of unofficial Catholicism with other beliefs. This is not a saint that helps Catholics only, all are welcome.

### **SANTO EXPEDITO**

His early fame and following came mostly from Europe. German, Italian, Turkish and Spanish Christians. They have revered this early saint since the middle ages. America was exposed to his influence in New Orleans, by way of Spain. The Catholic Church just doesn't know enough about him to really call him a saint and has at times tried to squash his following. They have not succeeded so far because St. Expedite has this uncanny habit of actually coming through for people in need.

## **TIPS FROM SAINT EXPEDITE.ORG**

*Here are some pointers for asking Saint Expedite for help.*

The first and most important rule is never ask St. Expedite to do anything hurtful to someone else, you are talking to the wrong saint if that is your intention. The most likely outcome would be a big time backfire and you could wind up being the recipient of your own bad wishes.

You know there was a time when mentioning this next tip was completely unnecessary. But with the way things are today I thought that maybe I should throw it in for those few individuals who always seem to know everything and can never figure out why they are having a hard time getting along with other people. Being polite is good for the soul. Always ask for Saint Expedite's help nicely, he can pick and choose the "jobs" he wants to do. You are the one who needs help, be polite.

There are very formal ways to entice him to help you, having an altar dedicated to him with red candles and reciting St. Expedite specific prayers can be helpful. A quiet prayer is good but asking aloud is better.

Ask for one favor at a time. If you ask for a few favors all at once then the likelihood of anyone thing on that list being completed is diminished greatly.

### **ALWAYS GIVE HIM HIS DUE**

When Saint Expedite grants your request, always "Pay Him" for his help, he was a soldier and expects payment for his services. You pay him only for successful completion of your request or petition. You can give flowers, or any other reward you had promised. Be forewarned; If you made a promise to St. Expedite, or what some people might call a "deal", make sure that you keep up your end of the bargain if your wish is granted. Also you must spread his name if he has helped you. A public thank you is necessary to complete the transaction, that is a sign of respect and gratitude. Run a classified ad in your local paper. Put a piece of paper with your thanks on a bulletin board.
